Why Parents Network?

The purpose of the WDL Parents Network is to engage and involve parents of our students in the life of Woodlands Secondary School. It provides a platform for parents to receive assistance, contribute and have a voice (to serve as feedback to school for improvements in programmes) in the school and enable better communication of parental and school expectations.

Parents Discussion List:

The Parents Discussion is a platform to share and communicate among the parents, and to facilitate communication between the school and the parents. To also provide assistance to school in school activities e.g. Sports day, Cross-country Day, fieldtrips, assembly talks, etc.

Please join us and contribute in the following areas:

Please tick if you wish to join us in making a difference -

- 1) **IT Committee:**
To assist the School to increase the usage of Information Technology (IT) among the parents and pupils.
